

explore our benefits

well being, well served

bartaco offers several programs that support physical, mental and financial wellness so you can own your own health journey. we want you to be the best + boldest version of yourself.

great health benefits

We offer several medical insurance options, as well as full dental and vision plans, so you're able to **get the care you need.**

we've got your back

We provide **mental health + counseling programs** (stay relaxed with access to the Headspace app), plus **financial wellness** and student loan assistance programs.

helping you save for your future

bartaco offers a 401(k) retirement savings plan that includes a **company match to all hourly and salaried team members.**

employee assistance program

Total behavioral health program specialists are available to discuss challenges and provide you with consultation, information, action plans, and resources. available to all employees enrolled in medical coverage through Cigna.

personalized learning at your fingertips

Receive personalized learning and support for ongoing development. We'll meet you where you are and **help you gain skills for the future.** We make training fun by offering gamified learning right on your mobile device via 1huddle.

it's taco time

Our team member dining discount offers **50% off food** at bartaco, because you can never eat enough tacos.

bartaco family fund

The bartaco family fund (bff) provides financial support and relief to bartaco team members who are dealing with financial hardship as well as scholarships for continuing education. Created out of our commitment to care for our very own, bff serves those that serve others.
